Mr. Don Roy  
Adept Limousine  
Nashville, TN

Dear Don:

You provided another TITAN-sized effort on Titans Caravan X – and for that, I am truly thankful.

We simply could not execute our ten-day tour without the Adept team. It's not just the luxury of the cars or the consistent on-time deliveries, it is the way you go above the call of duty. From feeding the players to picking up the things we need in a hurry to dealing with those late "change in plans," your entire team follows your lead in simply making it happen.

In dealing with other companies across the country, both in this industry and outside, I have simply not found a group that is so professional and so accommodating to the customer. Adept goes beyond the call.

It is why our Titans Radio team is proud to call Adept our partner.

Have a great summer.

With warmest regards,

Larry D. Stone Jr.
